THE REGION

Regional School District No. 4 is governed by a Regional Board of Education that is responsible for the education of students in grades 7-12, and three local Boards of Education that conduct the affairs of the elementary school districts. These four boards come together as the Supervision District Committee to work together on matters of common concern. Valley Regional High School serves approximately 615 students in grades 9-12, from the communities of Chester, Deep River, and Essex.

Parents are active participants in the life of the schools, play an important role in advancing the goals of the district, and work to obtain adequate funding for the support of the schools. The district is proud of our modern facilities, dedicated teachers and staff, and the commitment to small class sizes.

OUR MISSION

We, the Schools of Chester, Deep River, Essex, and Region 4, engage all students in a rigorous, challenging, and cohesive educational program. As a community of learners, we foster individual student achievement and empower students to excel in an environment of collaboration, responsibility, and mutual respect. We prepare our students to be knowledgeable, involved citizens in a rapidly changing world.

THE COMMUNITIES

The citizens of Chester, Deep River, and Essex pride themselves on their quality of life and the unique strengths that each community contributes to Regional School District No. 4.

The communities of Chester, Deep River, and Essex Connecticut are beautiful small New England villages that border on the Connecticut River approximately 35 miles south of the capital city of Hartford. They are only minutes from Long Island Sound and Interstate 95, the major link between metropolitan New York to the southwest and historic Boston, Massachusetts to the northeast.

The three communities provide outstanding cultural and outdoor recreational opportunities.
